OVERVIEW

Java Developer | Competitive Programmer proficient in DSA | Frontend Developer

EXPERIENCE

- BeingZero** 20-06-2025 to 15-04-2026
SDI Intern Hyderabad
 - Mentoring Student in DSA
 - Development and Maintenance of site

EDUCATION

- CMR Technical Campus ,Hyderabad** 2022-2026
Btech, CSE
- Sainik School Ambikapur** 2021
Central Board of Secondary Education Intermediate
- Sainik School Ambikapur** 2019
Central Board of Secondary Education Matriculation

PROJECTS

- Cash Dispatcher System**
Java Project
 - Implemented functionality to allow users to withdraw cash from their account, ensuring that the withdrawal amount does not exceed the available balance.
 - Created methods like deposit(), withdraw(), and checkBalance() to handle basic banking operations with proper validation.
 - Implemented control flow and error handling (e.g., insufficient funds) to ensure valid transactions.
- Weather Application**
 - Integrated a weather API (e.g., OpenWeatherMap) to fetch real-time weather data, including current conditions and forecasts for different cities.
 - Styled the app with CSS to create a clean, user-friendly interface that adjusts for different screen sizes.
 - Implemented a search feature where users can input a city name to get updated weather details for that location.
- Toll Collection**
Java Project
 - Developed a toll collection system using different methods and data structures of Java.

TECHNICAL SKILLS AND INTERESTS

Languages: C, C++, Java, Python, JavaScript, SQL

Frontend Development: HTML, CSS, JS

Competitive Programming: Strong problem-solving skills, proficient in algorithms and data structures, experienced in participating in coding competitions on platforms like GeeksForGeeks, LeetCode

CERTIFICATIONS

DSA with java from NPTEL programme, IIT Kharagpur

Data Science for Engineers from IIT Madras

Eduskills Virtual Internship (Cyber Security)

Google cloud Program(Data analytics)

ACHIEVEMENTS

NCC 'A' and 'B' certificate

1 percent topper in Java NPTEL programme

80+ Days Problem of the day streak on GfG

2 ★ coder on [CodeChef](#)

Solved 500+ problems on [Mentorpick](#)
